

prayiruma to me

3/16/05

Hi Jason, Below I am sending three pages from the old Edwards family Bible. It is the best I can do for the present.

As for the James side of the family: My father called himself a salesman.

His father taught in an agricultural school in Connecticut. He came from Florence Italy and was a Waldense, I am told.

My grandmother James came from Whales. I met her one time. Grandfather James died before I was born. When grandfather became an American citizen, he took an English name as was the custom in those days. The name of James!

I hope this helps you. Grandpa
